

In celebration of our fifth anniversary, we proudly bring you a totally revamped menu and we call the MaMaHuHu (“horse-horse tiger-tiger”) menu.

The MaMaHuHu menu always begins with twenty six (labelled A to Z) DimSum/Tapas style dishes divided in four sections: Flatbreads, Sao Bing Burger, MooShu Crepes and Small Dishes. They are both fun and delicious way to whet your appetite.

MaMaHuHu has a small section for Noodles and Rice dishes. We recommend you try our Ramen and Curry dishes if you just want a snack-size dinner.

Of course, nobody wants to miss our famous BackAlley BBQ & Grill famous BBQ and Grill dishes. They are all created with our unique “slow and low” cooking method in bringing out the best what nature provides us.

All our foods are cooked by “naturally glowing embers” in woodfire ovens. This adds a new dimension to the taste and aroma that cannot be replicated with any other method of cooking.

Enjoy!
